Financial Management II

Fall 2022

Instructor Information

- Travis St.Clair
- Email: travis.stclair@nyu.edu
- Office Address: Puck 3048 (3rd Floor)
- Office Hours: Wednesdays, 2:00pm–4:00pm, or by appointment
 - Office hours are over Zoom unless otherwise requested
 - Sign up [here](#)

Course Information

- Class Meeting Time: Monday 10:00am–11:40am
- Class Location: 60 5th Ave, Room 110

Course Prerequisites

CORE-GP 1021: Financial Management

Course Description

This course builds on the material from the core Financial Management class to further develop skills in managerial and financial accounting. The course covers the recording process (journal entries, T-accounts, adjusting entries, and closing entries), financial statement modeling, capital budgeting, and financial statement analysis. In addition, students will learn more about for-profit accounting and corporate structure, as well as how financial management differs across the government, not-for-profit, and for-profit sectors.

Course and Learning Objectives

1. Practice recording financial transactions.
2. Learn about corporate structure and how for-profit accounting differs from government and not-for-profit accounting.
3. Develop skills in financial statement modeling.
4. Apply accounting knowledge to the analysis of financial statements.

Learning Assessment Table

Corresponding Course Learning Objective	Corresponding Assignments
#1	Problem Sets, Midterm
#2	Problem Sets, Final Paper
#3	Problem Sets, Midterm
#4	Problem Sets, Final Paper

Course Materials

The textbook for the first half of this course is: Williams et. al, **Financial Accounting**, 18th Edition (2021), McGraw Hill Education, ISBN:9781260247947. Please note that this course is participating in the Follett Access program. This is an NYU Bookstore initiative that delivers required course materials digitally at the lowest possible price. Under this program you will have digital access to the textbook for the length of the semester through the Brytewave platform. The cost of the book is \$41.25, which will be added as a “book charge” to your bursar bill. If you would prefer to opt out, you should log in to the [student portal](#) (<https://includedcp.follett.com/2015>), access your bookshelf, and remove yourself from the program. (Your username is your school email address). The deadline for opting out is September 16th. You may contact the bookstore with questions at wsq.text@nyu.edu or 212-998-4656. If you wish to purchase the hard copy instead, it is available at the NYU Bookstore and on Amazon.com. It is fine to use an earlier edition of the textbook, though I would suggest not obtaining one that is more than 4 years old.

In addition to the textbook, we will also be reading several cases. The **course casepack** is not available at the NYU Bookstore. It costs \$12.75 and can be ordered through this [link](#). (<https://hbsp.harvard.edu/import/965771>)

Additional readings will be posted on Brightspace.

Course Requirements

There will be three components used in determining your final grade for the course:

Problems Sets, 20%

There are a total of 6 problem sets, each of which is worth 3-4% of your grade. Problem sets are due at the beginning of each class and should be submitted via Brightspace. Problem sets will be graded as check plus plus, check plus, check, check minus, no credit, which correspond to 100/90/80/70/zero. If you do not submit the assignment prior to the start of class, you will

receive no credit. I encourage you to work on the assignments in small groups, however each student must write and submit his or her own assignment. Two or more students turning in identical homework assignments constitutes cheating and will be reported to the administration and subject to disciplinary action.

Midterm, 30%

The midterm will take place during the regularly scheduled class time in week 7. Please note the date of the exam; if you have a conflict, please come speak to me at the beginning of the semester.

Final Project, 50% (see handout for details)

- Project Proposal, 5%
- Pro Forma Financial Statements (Spreadsheets), 5%
- Final Paper, 40%

Academic Integrity

Academic integrity is a vital component of Wagner and NYU. All students enrolled in this class are required to read and abide by [Wagner's Academic Code](#). Plagiarism of any form will not be tolerated and students in this class are expected to report violations to me. If any student in this class is unsure about how to abide by the academic code, please consult with me.

Henry and Lucy Moses Center for Students with Disabilities at NYU

Academic accommodations are available for students with disabilities. Please visit the [Moses Center for Students with Disabilities \(CSD\) website](#) and click on the Reasonable Accommodations and How to Register tab or call or email CSD at (212-998-4980 or mosescsd@nyu.edu) for information. Students who are requesting academic accommodations are strongly advised to reach out to the Moses Center as early as possible in the semester for assistance.

NYU's Calendar Policy on Religious Holidays

[NYU's Calendar Policy on Religious Holidays](#) states that members of any religious group may, without penalty, absent themselves from classes when required in compliance with their religious obligations. Please notify me in advance of religious holidays that might coincide with class assignments to schedule mutually acceptable alternatives.
